

# Ride Blue Go Green...to SAMOHI

New Fares for 2010

## 30 Day Student Pass Ages 5-18

Save money by getting a 30 Day Student Pass. This gives you unlimited rides on local routes for 30 days from activation. Hop on and off wherever you want during the 30 days. As there will be no more discounts on cash fares, the 30 day student pass is the smartest buy.

This replaces the Student Punch Card. Use up your Punch Card and then buy your 30 Day Student Pass. To Transfer to line 10 Express, buy transfer on first bus, then pay \$1 upgrade on line 10. Please carry your school ID when using the Student Pass since the Operator may ask to see it to ensure you qualify for the student discount.

## 13 Rides Pass

13 rides for the price of 12. If you only ride Big Blue Bus occasionally, this is the pass for you. While this is not a student card, it does give you the flexibility of taking the 13 local rides at any time without a clock ticking.

1 ride deducted from pass per local trip; 2 rides deducted per line 10 trip. To Transfer to line 10 Express, buy transfer on first bus, then pay \$1 upgrade on line 10.
