The next GETAWAYS! to Santa Barbara has been created by popular demand. “Past trips to the historic town have been so popular that customers have been asking repeatedly for another trip there,” says Dawson. The trip to Santa Barbara takes people to the downtown core of the town and gives them the freedom to spend the day how ever they like. Shopping and cafes, down at the waterfront and pier, or at a museum people can choose the type of day they want.

“While all the trips are fun the Solvang trip is one of my personal favorites,” says Monica Gonzalez, GETAWAYS! Coordinator. “It’s like traveling to Denmark in a day. The village is so cute and quaint and the parade is a lot of fun to watch while eating a Danish pastry or sipping some hot chocolate from one of the many bakeries. And, it’s a great place to do some holiday shopping”.

The trip to the Rose Bowl is one of the most popular excursions. For many this Big Blue Bus GETAWAY is a family tradition. “Start the New Year off right by taking this trip and leaving the stress of driving for another day”, says Gonzalez.

The GETAWAYS! series is just one of many transit programs the Big Blue Bus operates to foster community transit. “Programs like this give the people in our community the opportunity to get out and go in a cost effective way,” say Stephanie Negriff, Director of Transit Services.

The Big Blue Bus offers GETAWAYS once a month to festivals, towns, arts events, and historic destinations that are fun for the whole family. To purchase tickets or find out more about GETAWAYS go to [www.BigBlueBus.com](http://www.BigBlueBus.com) or call Customer Service at 310-451-5444.
